KEEP LOOKING YOUNG

It's Easy—If You Know Dr.

Edwards Olive Tablets

The secret of keeping young is to feel
young—to do this you must watch your
liver and bowels—there's no need of hav-
ing a sailor complexion—dark rings
under your eyes—pinholes—a bilious
look in your face—dull eyes with no
sparkle. Your doctor will tell you ninety
percent of all sickness comes from an
inactive bowels and liver.

Dr. Edwards' well-known physician
in Ohio, perfected a vegetable com-
pound mixed with olive oil to go
to the liver and bowels, which he gave to
his patients for years.

Dr. Edwards' Olive Tablets, the sub-
stitute for calomel, are gentle in their
action yet always effective. They bring
about that exuberance of spirit, that
natural buoyancy which should be en-
joyed by everyone by toning up the liver
and clearing the system of impurities.
You will know Dr. Edwards' Olive
Tablets by their olive color. 30c and
50c per box. All druggists.

Cocoon Oil Fine

For Washing Hair

If you want to keep your hair in
good condition, be careful what you
wash it with.

Most cheap and prepared shampoos
contain too much alkali. This dries
the scalp, makes the hair brittle, and
is very harmful. Just plain melleol
essence will soften the scalp and re-
sult in healthy hair. It is much better than
the most expensive soap or anything
that you can use for shampooing, as
this can't possibly injure the hair.

Money makes your hair with water
and rub it in. Use one or two teaspoon-
fuls will make an abundance of rich,
creamy lather and cleanse the hair
and scalp thoroughly. The latter
treatment only easily and gently has
the effect of this medicinal oil. It
cleanses the scalp, soothes the scalp
and scalp, and keeps the hair soft
and healthy.

Can you get unguished cocoon oil at
your drug store? It is very
cheap and a true tonic for
months—Advertisement.

THE SOLDIERS SERVICE BUREAU

The Soldiers' Service Bureau of the Boston American is dedicated to the purpose of doing things for the soldiers and sailors of these days. It is for officers and men alike. Answers to questions will be published in the American daily, and many personal services will be done for the soldiers and sailors as stated above.

The department is not merely operated as a question and answer column. It is cooperating with similar departments in Lincoln's New York American, Chicago Examiner, Atlanta Georgian, San Francisco Examiner and Los Angeles Examiner. The headquarters is in Washington.

Address all communications to Soldiers' Service Bureau, Boston American, No. 80 State Street, Boston. Letters marked "confidential" will be treated as such. Men of the Army and Navy, let us help you.

Persons reading the discharge papers of soldiers or sailors should make certain that the discharge is correct. A discharge paper cannot be duplicated. The discharge paper is a certificate that the discharge has been given. It is original and would greatly appreciate its return.

As a reference, the names of the officers and sailors who have been discharged are as follows:

1.—To conduct, in behalf of the officers and sailors, the business of the bureau, a legal bureau, with headquarters in Washington and branches in each city where a branch is needed.

2.—To have the severe sentences of court-martial examined into use if any injustice has been done and to fight for fighting of any wrong that may have been done by court-martial.

3.—To aid discharged soldiers, sailors and marines in procuring employment.

4.—To list employers ready to receive discharged soldiers, sailors and marines.

5.—To obtain special medical attention for recently discharged men.

6.—To work for the rapid discharge of soldiers with six months' pay.

7.—To help relatives that men in the service.

8.—To give legal and non-legal advice to the families of officers, sailors and marines and to the families of discharged soldiers, sailors and marines.

9.—To provide information concerning the nature of the service.

10.—To aid in the formation of associations of veterans of the war, to list those formed and assist them in working out their plans.

11.—To arrange lodgings for veterans.

12.—To give legal and non-legal advice to the families of officers, sailors and marines and to the families of discharged soldiers, sailors and marines.

NEW ENGLAND DEMANDS SERVICE MEN GET BONUS

From all over New England signed petitions are coming in a flood to testify to the overwhelming demand of the people in favor of the Boston American's petition to grant six months' pay and the discharge as soon as possible of soldiers in the service.

These petitions have been circulated through office buildings, where they have been signed by nearly everyone, from the stenographer to the office manager, and from large manufacturing concerns, where they receive the signed approval of the workers and the "bosses."

There is nothing in the petition that is a man behind about signing it. It is the most patriotic and generous response to the call for help. The petition has been signed by 172,000 persons in the last 100 days, and why thousands of other signatures are being added.

This six months' additional wage for men of the service, that is by no means all of its activities. It is placing men in occupations wherever possible, offering its services to employers of labor to aid them in finding capable and suitable employees, giving aid to discharged men of every branch of the service or to their families, aiding organizations of veterans in their efforts to organize and promote the interests of the men who served the country in every branch of its efforts toward securing what it can.

HOOKE HEADED FOR BRAVES, NOW THAT CHASE IS FREE

By NICK FLATLEY.

HAL CHASE has been exonerated, and the Boston Braves are right in line to get a first baseman who has stood the brunt of a couple of big league campaigns and had the test of a world's series. The young man is Walter Hoke, who is now on the market, having been freed and thereby made a potential giant.

Of course nobody in the world doubts that the burden of the defense of the Braves in the recent hearing was lightened greatly by the fact that the powerful New York club wanted him. He will fit perfectly with the machine that Muggsy McGraw has assembled on the new Giants are building up. He is without doubt the greatest playing first baseman the game has known.

But his exoneration will leave a sting in a lot of quarters. For instance, it's hard to figure why he was discharged by Cincinnati last season if the evidence against him was as flimsy as the report of the hearing would indicate. Walter Chase, who has been publicly berated as a black sheep for the better part of a year, now has a chance to institute all kinds of libel proceedings.

He must be glib, of course, but the manner in which he was freed, and the time the freeing used up, do not exactly boost his reputation as new president of the organization, and he did the best he could. But he had to handle a situation that leaves him open for Walter Hoke, who should be a really good ball player under the Stallings system.

TWO AND THREE PUTTING THE NEXT ONE OVER WITH "BUGS" BAER.

EVER since New York boxing bit itself in the back of the neck the wise crackers, who would rather manage a boxer than work, have been trying to drag the game in again by the heels. The old graft has been hibernating like a sussed bear and the 50-10 slickers have worn a flock of palmators down to a whisper trying to bring the work back to life.

THEIR HOME GUARDS, who stuck the knitting needles into Caesar until the old boy looked like two porcupines, didn't smear their work by mouning about it. But the slickers who slipped New York boxing the prepared police are the same boys who are establishing the highest average. THEY KICKED boxing for a goal. Now they are trying to unkick it.

NEW YORK boxing has been with the angels for a long while. If it toadies lack under the old management, it won't be long before it is again plunk-plunking on the gilded ukulele. A necktie of sharp's teeth makes a fine lavalliere. But not when they're still in the shark.

BOXING is a great sport, with or without muscle. The fight bug preens his without. A hand-engraved bat on the boxer is a beautiful souvenir. Especially when it's some other bird's nose. Many a battle found is willing to drag himself away from five bills for the privilege of absorbing all the springers in a ring-side seat.

THE pander that laid the golden ostrich egg ain't dead, but snoring. He laid many a golden egg before the wise crackers knocked him coo-coo. But all he got was the Croix de Double Croix. Fine business. Pretty omelets from golden eggs. You chirped it.

IN THE old days when jailbirds used to turn on the steam, scrappers fought with bare knuckles for bare purses. Nowadays it's eight-ounce gloves for two-ton wallets. Around 1840, the winner grabbed the prize. The loser got his fare home, provided that he lived within walking distance. What could be sweeter? Now, the gravy goes to the loser.

FLOPPER FULTON inherited a yard of thousand dollar bills for toasting out one of America's standing-at-attention divs. Fred wasn't any other because he has learned three new dives—jack-knife, scissor and sword. Tones of his famous double knuckling into a look full of gas receipts. You can feel that stuff to the fans. But you can't make 'em hold on their plates for more.

NEW fight bill now rattling around in Albany is pulling for ten-round whistles to be discarded. Good billiards. Provided that they start the battles at eleven and close the telegraph office at ten-thirty. This will stymie the fight manager whose figure cuts loose with a terrific rally at ten words for fifty cents. Collect.

HARRY HOOPER is willing to sign up for \$10,000 straight salary and \$5,000 in cash, provided that his contract is buttressed on one side.

N OBODY knows where Jimmy Wilde gets his kick. He's smaller than a Rock Island dividend, thinner than an army blanket and his shadow is shad row. But when he's feeling right he has a kick like a mule when it's feeling wrong. Let's go.

WITH the strict press censorship off, by next August the Phil fans will be able to dope whether the Athletics are playing baseball or marbles.

ASHALL didn't make much of a hit in England. The ball is so lively that it bounces right out of the trap.

AFTER a battle with Jack Dempsey his opponent generally admits that a bare-knuckled has no business snapping at a locomotive.

PENNSYLVANIA COAL COMMISSION has lifted the ban on anthracite. You couldn't get it before. Now you can get it if you can get it.

YALE 7 STRONG FOR HARVARD CONTEST

New Haven, Ct., Feb. 6.—Yale and Harvard hockey teams will meet in their first athletic event since the close of the war in Brooklyn Saturday.

Yale has had practically no practice this season, because of the lack of natural ice, but the material comprises as strong a seven as has ever been recruited at the university.

Have feasible, certain, and never, was captain of the Yale freshman seven which two years ago was easily the leading intercollegiate class champion of 1917. Since that time he has become the only American one in naval waters.

The team is composed of former Harvard and Cornell players. Manager Charles, 1919, who has just returned to college from an army career at Fort Sill, today announced the following line-up: Goal, Pondexter, co-captain; Wilcox, forward; Lewis, center; Carson, right wing; Secrest, left wing; Wain, goalie.

Johnston was in the Yale eight-year crew in 1901 and 1902 and gained fame as a member of the team made up of Ten Eyck, Lewis, Day and Johnson.

Fulton Banned From Ring in His Native State

MINNEAPOLIS, Feb. 6.—The Minnesota Boxing Commission, in a meeting here, voted to bar indefinitely Fred Fulton, Rochester, Minn., heavyweight fighter, from boxing or sparring in Minnesota clubs.

No reason was given, but it is understood the commission took the action after discussion of Fulton's confession made recently in San Francisco that Jack Dempsey had "double-crossed" him in the fight of July 27, last.

Tom R. Johnson, Noted Carsman, Going to France for K. of C.

Tom R. Johnson, of Worcester, one of the best carmen who ever beat a blade in the water, is going overseas immediately as a Knight of Columbus secretary, and with doubtless soon big in the spotlight in Knights of Columbus aquatic affairs, the first of which is a regatta to be held on the Seine in the near future.

Johnson was in the Yale eight-year crew in 1901 and 1902 and gained fame as a member of the team made up of Ten Eyck, Lewis, Day and Johnson.

Packard and Dodge Brothers Motor Cars

INTEREST GOES ON UNABATED

(It is the custom)

The New York Automobile Show, opening this week brings to mind the facts that:

At the pioneer shows, long after this business was established, several manufacturers exhibited cars minus motors with hoods locked down.

Demonstrations were usually once around the exhibition hall basement.

Should a vehicle climb a 25% grade on high gear the factory was promptly wired and congratulations expected.

In the early days a chauffeur was called a conductor.

Neither registration plates nor licenses to drive were required.

Permits were not necessary to build garages.

Gasoline was only secured in cities or larger towns.

It is with considerable pride that we point to the hundreds of patrons who have regularly purchased cars of us for fifteen years or more.

Our history is a succession of triumphs. We are continually trying to improve our organization and to shed the ray of reform into automobile dealers' method.

We realize that we share the ambitions of those we serve.

All Accusations Refuted Says Heyder Report

THE hearing of Chase will resolve into the consummation of more than a few National League deals. Trades of players on several clubs hinge on the verdict, which was foreseen so soon as the Giants stepped into the picture. We can't tell just yet who will land out at the Home of Big Things, except Hoke, but it's a club somebody will.

Anyhow, follows the Heyder finding on Chase, which every baseball fan will want to read. "In substance, the player was charged with making wrongs against his club on games in which he participated. In Justice to Chase, I feel bound to state that both the evidence and the records of the games to which reference was made fully refute the charges."

"In one game in which it was intimated that Chase lost against his club, the records show that in the sixth inning with two men on bases and the score 2 to 2 against his team Chase hit a home run putting Cincinnati one run ahead. "All available evidence, however, carefully taken and considered, leaves the charges unproved. It would follow as a matter of course that the player should never be disqualified from participating in National League games under such circumstances as would not hesitate to decide, as the interests of the public and the game of baseball are far more important than the fate of any individual."

"This interests it is my clear duty to protest, no matter what the effect may be on players or clubs."

After conclusion and findings after full consideration of the evidence it is that it is nowhere established that the accused was involved in any pool or wager that caused any game of ball to result otherwise than on its merits, and that player Hal Chase is not guilty of the charges brought against him. (Signed) "JOHN A. HEYDER."

Sport Program for Crimmon Will Be Settled Monday

Harvard sports will be put on working basis at the meeting of the athletic committee Monday. Professor Merriam, chairman of the committee, will divide what took place at the joint meeting in New York. The appointment of an acting baseball captain will be made also. Among the baseball deals for the Crimmon are:

Max J. Pomeroy at Philadelphia; Al. Burrows at Cambridge; and St. Princeton, 20. Bona at Providence; Al. Harris at Harvard; Yale game set for June 12 and 13, the first of New Year's season.

Eddie Barrett, these bouts are slated for 10 rounds each. Mickey Mathewson would not be further considered as eligible for leadership of the Reds. Herrmann has received a reply to his cablegram to Mathewson asking about the latter's return plans. Mathewson's message was brief, merely stating that he would land in America February 15. No mention was made as to his future plans.

MATTY TO RETURN TO U. S. FEBRUARY 15

Cincinnati, Feb. 6.—President Asher Herrmann repeated the statement he made at the meeting of the National Athletic Union last week, that Christy Mathewson would not be further considered as eligible for leadership of the Reds. Herrmann has received a reply to his cablegram to Mathewson asking about the latter's return plans. Mathewson's message was brief, merely stating that he would land in America February 15. No mention was made as to his future plans.

ITALIAN CHAMPION IN HARD MAT BOUT

Giovanni Meroni, the Italian middle-weight champion, looks up with Waino Ketonen this evening at the Grand Circus.
